

Tiger Talk

There are so few tigers left in the world, they may become extinct someday.

Once there were 9 kinds of tigers. Now there are only 6 kinds!

Read. Solve two different ways.

Jan sees tigers at a zoo. She learns about tigers.

On Monday, she tells 5 friends about tigers.

On Tuesday, she tells 4 different friends about tigers.

On Wednesday, she tells 6 different friends about tigers.

How many friends does Jan tell in all?

My First Solution

My Second Solution

Answer Jan tells _____ friends in all about tigers.

Visit zoos and aquariums to learn about endangered animals.

Kindness 100: American Humane Association is celebrating the 100th anniversary of Be Kind to Animals Week® in 2015 by focusing on the humane treatment of farm animals and animal actors, the importance of adopting pets from a shelter and including them in family disaster plans, and caring about the world's endangered and disappearing creatures.
